

Carolina Meltdown Dance Weekend

Welcome! We are glad you are coming! Get ready for a great weekend!

Things to remember to pack:

- > Check in begins at 4PM Friday.
- > All bunks are on a first come - first serve assignment. We hope everyone in the cabins can workout amongst themselves any issues.
- > Cabin Checkout is 1030 AM Sunday
- > Your bedding, towels and toiletries
- > A power bar extension if you need to plug in as outlets are limited.
- > Rain gear... just in case. Temps are forecasted to be in the 60s, but showers are also currently forecast :(

While you are here, please honor these Camp Thunderbird rules so we can maintain our good relationship with Camp Thunderbird and have a safe dance weekend for everyone!

- > Be sure to wear your wrist band to the dance and the cafeteria or you won't be able to dance or eat. Sadly, we always have a few folks that feel the need to sneak in...
- > Pets are NOT invited guests at Camp Thunderbird. Sorry...
- > Sleeping in cars/vans or tents on the camp property is forbidden. (Yes, we had someone pitch a tent last year...)
- > Please park in the lots designated on the map. Do not park along the road or next to the dance hall.
- > Cooking and alcohol are not allowed anywhere on the grounds.
- > Currently, everyone should have a lower bunk, but if the cabins do unexpectedly fill up, please reach some sort of agreement with your cabin mates. (I am planning on bringing a small step ladder). But the bunks are on a first come, first serve basis.
