

Carolina Meltdown Dance Weekend

Welcome! We are glad you are coming! Get ready for a great weekend! Things to remember:

- Check in begins at 4PM Friday.
- After you register, please park your car in the designated parking areas. There will be camp staff to direct you to the parking areas. Please follow their directions. Parking is not allowed on the roads at any time during the weekend.
- All campers who requested a bottom bunk received one. You'll receive your cabin number when you check in.
- Cabin Checkout is 1030 AM Sunday, and must be accomplished before the final dancing on Sunday can begin.
- If you haven't already volunteered to help in some way, consider asking at the registration desk about volunteer opportunities. Many hands make light work and a fabulous weekend!

Things to remember to pack:

- Your bedding, including pillow, towels and toiletries
- A power bar extension if you need to plug in as outlets are limited.
- Flashlight.
- Earplugs.
- Light jacket.
- Snacks if you think you'll need them. We'll have fruit on the porch throughout the weekend, and a cookie social on Saturday night.
- Rain gear? Temps are forecasted to be in the high 60s - low 70's with sunshine (yay!) but you never know.

If you want to have your own paper copy of the schedule and/or camp map, please print them and bring them with you. There will be copies of both at the registration table, and you can take a picture with your phone. The schedule and camp map will also be posted on the halls, and on each cabin.

While you are here, please honor these Camp Thunderbird rules so we can maintain our good relationship with Camp Thunderbird and have a safe dance weekend for everyone!

- Be sure to wear your wrist band to the dance and the cafeteria or you won't be able to dance or eat.
- Pets are NOT invited guests at Camp Thunderbird. Sorry...
- Sleeping in cars/vans or tents on the camp property is forbidden.
- Cooking and alcohol are not allowed anywhere on the grounds.

See you on the dance floor!
